

🍏 February Homework 🍏

Make sure to read 15 minutes every night with your child.

2/4- 2/8	1 Have your child come up with a make-believe story (fiction). Your child should include the characters, setting, as well as a beginning, middle, and end for the story. Draw a picture from your story.	2 Go outside with your child and have them describe what they see in the sky. Have them draw a picture of what they told you.	3 Make a list of your top favorite 100 th Day of School activities! Draw pictures to match your words.	4 Work on your Valentine's Day box for our party on Thursday, Feb. 14th! 😊
2/11- 2/15	5 Be sure to complete your interview questions about someone's job. When your interview is complete, return it to class. Due: Feb 13th!	6 Have your child draw a picture of the 4 Seasons. Be sure they label their picture.	7 After you read a story tonight, retell the story to an adult in your home. Make sure you include the characters, setting, and beginning/middle/end.	8 Practice writing numbers 11 - 20 (x3)
2/18- 2/22	9 Practice your sight words using the cards you created last month. Make sure to add new words after you master the words in your stack.	10 Have your child draw a picture of daytime and nighttime. Be sure they tell you what they see during the day and what they see at night and to put it in their picture.	11 Make a pile of 14 (small) items. How many would there be if you added one more? Two more? Three more?	12 Create a sign trying to sell an item to others. Be sure to write the name and the price of the item on the sign.
2/25- 3/1	13 Make a list of important jobs you have at home and at school. Include a title for your list.	14 Ask your child what their favorite weather is and why. Then draw and label it.	15 Count out 20 items in a close pile. Then spread them out. Is it the same amount or different. Why? Write your explanation on paper.	16 Make a map of your bedroom. Label at least three parts of it.
